FOREWORD

Dear Friends,

With great pleasure and enthusiasm, we put forth before you our Annual Report of 2015-16.

ADWAA has been serving the distressed and neglected people of the society in the regions of its work, since the time of its origin.

ADWAA is committed to work on issues like health, education, women empowerment and so on. It has also a vision of widening the domain of its work regarding Environment, Plantation, Vocational training, Health and women empowerment.

All the achievements of ADWAA, till now have been possible with our assistance and cooperation. Whatever remains to be done can only be achieved by our valuable assistance and cooperation.

Our heartfelt thanks and gratitude go to you all.

Yours solidarity

ADWAA TEAM

ADWAA

Introduction

ADWAA, a non-profit organization, has been working in Bihar and Jharkhand. The organization especially works in the scheduled areas of Jharkhand in the following districts:

District	Block	Panchyat	No. of Villages
Dumka	Ramgrah	Paharpur,Kanjwe,Kanjo,Bariranbahiyar, Gangwara,Boria	32 Villages
	Dumka	Kairabani, Haripur	03 Villages

(Activities of 2015-16)

1.Mission for Integrated Development of Horticulture(MIDH)

Agriculture is the main occupation of more than 60 percent of the people in Jharkhand. ADWAA, during 2015-16, took up a project to promote the holistic development of horticulture sector in the area with the help of National Horticulture Mission. A number of activities like capacity building, technical support etc were undertaken for the promotion of cultivation of following vegetables and fruits under this particular project,The organisation has motivated the villagers and prepared three samity to establish fruit bearing orchards of the following plants through samity and the orchards of 2014-15 were maintained by replacing dried and dead plants :

a. District - Dumka

S.N.	Nature	Component	Area
1	2	3	4
1	Perinial fruit	Mango	70 Ha.
2	Perenial fruit	Cashew Nut	60 Ha.
3	Perenial fruit	Guava	02 Ha.

1. Agriculture Development

a. Awareness and Training on SRI Technique of Paddy crop:

In order to increase the yield of rice, farmers in the selected blocks of Dumka district were given training on System of Rice Intensification. The farmers were awared to to adopt SRI system in 110 acre area of the farmers.

The SRI training was rendered with full support from beneficiaries as well as the allies.

a. Demonstration of cereals (Pigion pea/Arhar , Urad , Mung) , Pea , Gram in Dumka and Ramgarh Block of Dumka District .

During the year 2014-2015, a demonstration program was organized in the Ramgarh and Dumka district of Jharkhand.

a. Adoption of Organic farming

We do understand the importance of conserving the biodiversity. Over the past few years, excessive use of fertilizers has created havoc upon the ecology and food security.

In order to mitigate all such risks, we at ADWAA, keep organizing awareness as well as capacity building campaigns where farmers belonging to marginalized categories are provided training on organic farming. In all, 35 villages in 10 panchayats were covered.

Dist	Block	Panchayat	Village
Dumka	Ramgrah	4	18
Dumka	Dumka	2	6
Pakur	Hiranpur	4	11

d. Vermi- Compost

In the following villages, training on vermin-compost and poly house was organized:

Dist	Block	Panchayat	Village
Dumka	Ramgrah	4	12
Dumka	Dumka	2	2
Pakur	Hiranpur	4	4

3.Total Sanitation Campaign and Health and Heigine awareness programme

India has more mobile phones than the toilets. The unrealistic approach embraced by the people and policy makers has hampered rural sanitation programme in many ways. In order to do away with such problems, ADWAA has acted as a proactive agent for promoting hygiene and sanitation among rural people. The organization is engaged in in awareness of swachhta programme.

4.Environment Awareness

During the year 2015-16, one awareness campaign for environment conservations was held in the Dumka district. 45 members participated in dumka Awareness campaign was organized at the community level. Due to deforestation, the environment degradation has increased. The campaign spread awareness on tree plantation and its significance, waste management, safe disposal of garbage etc.

5.Awareness programme for Renewable Energy

As a part of wider health campaign, 2 Renewable energy awareness Programme were organized in Dumka.All together 118 members of the community actively participated in them.

6. Consumer Awareness programme

Now a days consumers of rural as well as urban areas at different level becomes misguided due to the lake of awareness regarding the right of a cosumer. To meet this awareness a positive effort has been adopted by organizing three camps in dumka and two campa in pakur districts.

S.N.	Dist	Block	Camp	Participants
1	Dumka	Ramgrah	2	164
2	Pakur	Pakur	1	42

7. Correspondance coaching:

The students of rural areas are do not get the appropriate guidance for their exams.Viewing the problem the organization has guided 18 students through correspondance.
